

Antique Cobble I & II

This popular, medium-sized paver is an all-purpose paving stone. Its soft, rounded chamfer "bread loaf" top surface is a respectful replica of old-world cobblestones. Both standard and tumbled textures are exceptional choices for entryways, driveways, patios and pools.

Stocked Colors:

See page 2 for color swatches and list of stocked colors.

*Available in standard and tumbled textures.

*Antique Cobble II is available in blended colors only.

Shown: Gray-Charcoal Antique Cobble I and II (tumbled) installed in an "1" pattern. The circle is Gray-Charcoal Antique Cobble Circle (tumbled).

NOTE: ALWAYS VIEW PRODUCT SAMPLES PRIOR TO INSTALLATION The color and texture of Angelus products are not specific to any product or groups of products. Variation in color, shades of color, texture, and aggregate exposure is inherent in all concrete products and exact matches cannot be guaranteed. Not all products are stocked in all colors. Charts with more product related color availability are shown from product pages. Colors and textures represented in print and online are as close as possible to the actual product. Photographic techniques, printing techniques and viewing monitors – as well as actual viewing conditions – can alter perception of color.
